Assignment: Using Linking Words in Writing

Instructions:

1. Visit the following link: [Linking Words for Writing](#).
2. Explore the different categories of linking words listed on the page.
3. From the categories provided, choose the linking words that you like the most. You can select from the following categories:
 - Listing
 - Additional Information
 - Giving Examples
 - Result and Consequences
 - Highlight and Stressing
 - Concession and Contrasts
 - Reasons and Causes
 - Giving Your Opinion
4. **Select the following number of linking words from each category to include in your writing:**
 - **Listing: 4**
 - **Additional Information: 4**
 - **Giving Examples: 3**
 - **Result and Consequences: 3**
 - **Highlight and Stressing: 3**
 - **Concession and Contrasts: 3**
 - **Reasons and Causes: 2**
 - **Giving Your Opinion: 2**
5. Write one piece of writing (essay, article, or story) and apply the linking words you chose in a meaningful way.
6. Underline or highlight the linking words you use so they are easy to identify.
