Homework**

What do you do to live longer?

- do exercise everyday
- eat more vegetables
- drink more water
- no smoking
- no alcohol...

The island of Okinawa in Japan has some of the oldest people in the world. It's famous for its high number of centenarians - men and women who live beyond one hundred years of age.

Some of the reasons for their good health are that they:

- go fishing and eat what they catch.
- do a lot of gardening and grow their own fruit and vegetables.
- go cycling and never drive when they can walk.
- often spend time with friends. They meet at people's houses and play games.
- rarely buy food from a supermarket.
- do regular exercise, go swimming and lead active lives.

1. Where is Okinawa island?

2. Why is Okinawa famous?

3. What kind of food do the people eat?
